Statement of the supervisor

Mr Jonas Weidemeyer (matriculation number 9156684) is writing his Master's thesis under my supervision.

The mass spectrometer of our laboratory was out of service from Monday, 15 March 2027 to Friday, 23 April 2027 because of a defect that only the manufacturer could repair. During this time Mr Weidemeyer could not carry out the measurements on which his thesis depends.
