Statement of the supervisor

Mr Tariq Benali (matriculation number 9549203) is writing his Master's thesis under my supervision with vibration data from our industry partner Kerbach Sensor Systems.

The partner had agreed to deliver the data set on Monday, 1 March 2027. It delivered the data set on Monday, 22 March 2027. Mr Benali could not start the main analysis of his thesis before that day.
