Subject	Annual Meeting 2027: important change

Dear members,

because the conference centre in Leipzig is being renovated, the board has decided to hold the Annual Meeting of the Society for Cognitive Ageing Research fully online from 14 to 16 April 2027. There will be no on-site programme.

The registration fee is reduced to EUR 90.00. Zoom links and the programme follow in March.

We look forward to seeing you online.
